homeownership in California.” “We strive to help first-time homebuyers get into homes by using available down payment assistance programs, like those offered by GSFA. There are so many deserving families in the State of California that can afford a mortgage payment, but due to rising rents and high-costs of living, they are unable to save enough funds for a traditional down payment. Programs offered by GSFA help these families with obtaining keys to their first home. We are proud to help more Californians achieve homeownership and are happy to be recognized in the GSFA Honors Club,” said Tonya Todd, SVP Strategic Products at Mountain West Financial, Inc. Mountain West’s high business standards have also been recognized and awarded with various accolades including: ‘Top Mortgage Employer’ by *National Mortgage Professional Magazine*, ‘Top 100 Mortgage Companies’ by *Mortgage Executive Magazine*, and several individual awards for our Management Team.
