Mountain West Financial, Inc., a family-owned business, is proud to celebrate its 30th Anniversary on May 17, 2020. The company has grown from humble beginnings in 1990 with only 3 employees to nearly 300 employees at 25 locations in 9 licensed states and still growing. Mountain West Financial has built a reputation of not just putting people in any loan, but to put them in a home loan that suits both their short and long term goals, to earn the opportunity to become a lender for life and continue delivering their goal of making homeownership a reality.

“Who would have thought that a small group of people that opened up a mortgage Company in Lake Arrowhead CA in 1990 would be celebrating 30 years serving the communities. Where did the time go? We have whole Data Centers with multi-screen terminals, fax and scan capabilities and virtual meetings. We at Mountain West Financial
