### **Mountain West Financial, Inc. Wins National Award as Top Mortgage Employer** *National Mortgage Professional Magazine's Top Mortgage Employer*

Mountain West Financial, Inc. proudly announces their award as Top Mortgage Employer on the annual list by *National Mortgage Professional Magazine* for the 7<sup>th</sup> consecutive year. This exclusive list came as the result of a poll from readers based on the following criteria: compensation, corporate culture, training resources, speed, long-term strategy, industry participation, marketing support, day-to-day management, innovation, technology, and internal communication. Based on those criteria, National Mortgage Professional weighted factors that were more important to their originators, collected votes, and factored industry reputation to create the list of Top Mortgage Employers. The results were assimilated and broken down into Regional and Independent categories. “We are honored to receive this recognition. This year marked our 30<sup>th</sup> anniversary during an unprecedented pandemic in our country. As a company, we were nimble in our responsiveness to protect our employees and customers while achieving record level mortgage production. The highest volume in the history of the company. The end result is that our employees provided homeownership solutions to our clients at historically low interest rates. I am proud of the work and sacrifice of the employees at Mountain West who demonstrated extraordinary professionalism throughout the entire year” said Ed Adams, SVP of Production at Mountain West Financial, Inc.
